La LAS MOBILI garantisce all'acquirente originale che il mobile e tutte le sue parti e componenti sono senza difetti nel materiale e nella lavorazione. "Difetti" in questa garanzia indica qualsiasi imperfezione che compromette l'utilizzo del prodotto.

La garanzia della Las Mobili è espressamente limitata alla sostituzione di parti e componenti di mobili.

La garanzia è valida per normali condizioni d'uso. I mobili LAS non possono essere utilizzati all'aperto né possono essere messi a contatto con fonti di calore ed umidità. Le parti in vetro devono essere maneggiate con cautela e gli sportelli e cassetti devono essere riportati allo stato di chiusura subito dopo l'uso.

La garanzia non copre:

Egli potrà ampliare le garanzie offerte dal Fabbricante, ma tutte le garanzie aggiuntive saranno a carico del Concessionario stesso.

Nel certificato di garanzia il Concessionario dovrà prevedere, fra l'altro, le modalità mediante le quali l'utente finale dovrà attivare l'intervento in garanzia.

Il Concessionario effettuerà l'intervento in garanzia presso l'utente finale, anche se a carico di LAS, che provvederà al rimborso ovvero ad inviare al Concessionari le parti da sostituire (se i difetti sono coperti dalla garanzia di LAS).
